

# Official Announcement of the Bible Baptist Church of Ballincollig, Cork

**\*\*\* On July 12<sup>th</sup>, Sunday services will begin again! \*\*\***

Everyone is invited to start meeting together at our building at Unit A, Enterprise Park, Innishmore, Ballincollig (just behind the Lidl's Supermarket in Ballincollig). Our Sunday Church services will start promptly at 11am. You will need to book to come so that we can limit attendance in the Main Auditorium to about 50 adults and teens. Pastor will soon be phoning and booking everyone. If there is a large number of people interested in attending, Pastor will expand to two Sunday morning services (9.30am & 11am).

## Our services will have the following considerations:

- The Auditorium and toilets will be cleaned before each service.
- We have hand sanitisers setup at the entrance of both buildings.
- The seating will be laid out with physical spacing for families and individuals separated from others.
- There will be no hugging or handshaking for a while.
- Children and infants will be in their respective classes / creche from 11am to allow as many adults as possible to be in the Auditorium.
- There will be no Tea Break for several weeks (but we will start it up again as soon as possible).

Livestreaming of our Sunday services will continue. If you can come, we ask you to assemble together as a church. If you feel like you are at risk, please stay home and enjoy the Livestreamed services until you feel ready.

After a few weeks, the 6pm Sunday Evening Service will also start up and we will get back into studying the Life of Christ from the Gospel of Mark, verse by verse. We will announce these and other changes soon, including increasing attendance to 100 in the Auditorium.

## How is Church Better Now?

From now on we will be meeting in **OUR OWN BUILDING** instead of in the Westgate Building. After 3 months apart, we will finally be back together and be able talk, fellowship and see one another face-to-face. We will be serving one another again. We will worship together, and pray together. The atmosphere of our meetings will once again be back to real people, who are together again as a church! And SOON, we will be able to just stay around, and fellowship as long as we want, anytime that we want!

## How is all this better than Livestreaming Church on the Internet?

We will continue to use our online **YouTube** and **FaceBook** livestreaming primarily for evangelism to reach people who don't normally go to church. Livestreaming offers an introduction to our church and to Biblical Christianity, and is mainly for the unchurched and non-Christians. It is not for Christians because we belong together as a body of believers. So, please tell people about our online church services as an appetizer for them to check out our church, and hopefully to come and meet with us face to face someday! You can see all our church services on YouTube at [www.youtube.com/biblebc](http://www.youtube.com/biblebc) (be sure to Subscribe to the channel). You can also watch the live church service via FaceBook by searching for the church's account at [www.FaceBook.com/biblebc](http://www.FaceBook.com/biblebc) and make sure you Like, and Follow us.

## What About Wednesday Bible Study?

Starting July 1st, everyone is invited to physically start meeting again for corporate prayer, and for Bible Study together in our Auditorium in Innishmore. From then on, Wednesday services will be back to normal.
