## Men Need This Event!

Enoch's biography is brief but outstanding—one sentence in Genesis 5 reveals his life of 365 years, 300 of which were spent believing God, being humble and holy, walking with God, and pleasing God. He didn't start out that way. Something changed Enoch when he was 65. It changed his direction, and his way of living. What would it have been like to be around Enoch? What would he teach us men if he were here today? The Bible tells us more about Enoch than we may be aware. This year's Men's Camp will focus on hearing the testimony of a man who chose to please God, and what ends up happening to him in the end... a rapture! He has a lot to teach us... because time is short!

## What we will learn...

- **What changes a man?**
- **What does a walk with God look like?**
- **What are the enemies of a walk with God?**
- **What is the rapture?**
- **The prophecies of Enoch are all coming true!**
- **God is still calling men to be like Enoch!**

*A man's greatest responsibility  
is to please God!*
