## Verse Two

A powerful man named Ahasuerus, was king of all the land;  
He had a drunken party, and things got out of hand.  
He lost his queen, and honour, and looked for a lady fair.  
But when the king met Esther... no other girl compared!

*To Chorus*

## Verse Three

The Jews had many enemies, but Haman was the worst!  
Although he didn't know it, ol' Haman, he was cursed -  
He was a tool of Satan, who only wants us dead!  
But as it was with Haman... God's enemies suffer instead!

*To Chorus*

## Verse Four

So when the dust had settled, and Mordecai had won,  
The story had not ended, it had only just begun!  
Queen Esther found true greatness, it's why we all exist;  
God's looking for great servants... for such a time as THIS!

*To Chorus*
